CUADERNO DE EVALUACIÓN Y REGISTRO Alimentos y bebidas

Mi nombre es:
Curso:

Categoría semántica: alimentos y bebidas

1. Este cuaderno tiene como fin principal registrar los conceptos trabajados con el alumnado y su evolución en la discriminación / reconocimiento de los mismos.

Cómo realizar el registro:

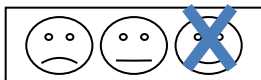

- Pediremos al alumno/a que nos señale, los diferentes conceptos que aparecen en cada una de las páginas del cuadernillo.
- Cada vez, en un orden diferente para que no resulte previsible lo que vamos a preguntar.
- Cada ocasión en la que se realice la evaluación, se anotará en un color que quedará registrado en la fecha:

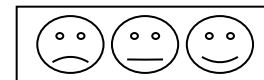

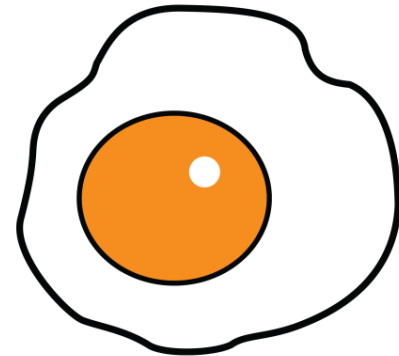

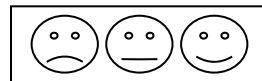

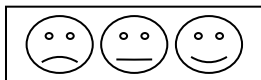

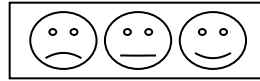

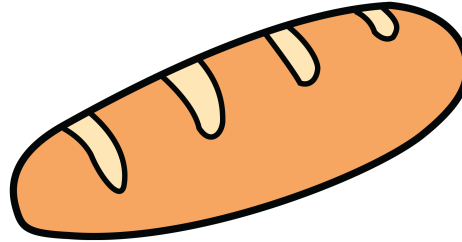

Fecha: _____ Marcaremos la cara sonriendo cuando el alumno/a

señale, nombre... de forma clara y acertada el concepto, la siguiente cuando lo nombre, señale, haga el gesto..., por ensayo – error llegando a acertar (no nos queda claro si lo reconoce o no) y por último la cara triste cuando no hay una discriminación / reconocimiento del concepto.

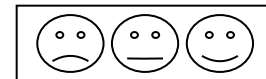

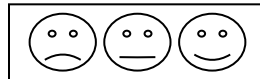

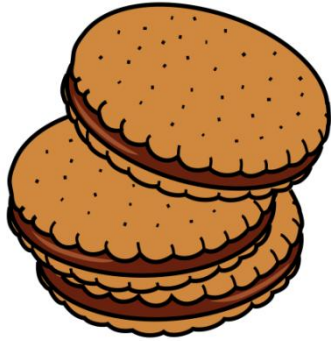

Al final del cuaderno, encontrará una plantilla en blanco para que pueda recortar imágenes de otro repertorio y valorar de igual forma, su reconocimiento.
