Este cuadernillo contiene planes para realizar en Navidad junto al alumno, haciendo uso del **comunicador dinámico**.

El alumno será el protagonista de los planes, escogiendo los ingredientes, los colores, los objetos, las canciones, etc. En función del plan que toque ese día. Atendiendo siempre a su opinión.

En su comunicador tendrá una carpeta llamada “Planes Navideños con mi comunicador” y dentro de ella los distintos tableros.

No olvidemos la importancia de modelar: acompañar nuestro lenguaje oral junto a los pictogramas.
